

ALTAR SERVING SCHEDULE 2007-08

Some Guidelines for All Servers:

Enter altar and bring folded vestments to be blessed by 10:00 a.m.

Sub when needed, keep order, keep things neat.

Need all servers in the altar area watching and helping.

Recite The Creed and The Lord's Prayer all together in the altar.

Make sure all vestments are folded and put away.

Help younger servers with their jobs (monitor, teach and show)

Check supplies and Vestment repair.

Make sure things run smoothly.

Remember, we are serving the Divine Liturgy and our conduct must reflect this, and in serving, you reflect that you are at the Altar of God!
